

## Princess Camp FAQ

### 1. What should my child wear while doing camp?

Dancers can wear whatever they feel comfortable in to dance. This includes, of course, any princess clothes (make sure they can move safely in), they may choose to wear leotard and tights, or just shorts and t-shirt. For shoes it will depend on the type of flooring they will be dancing on and you should use your best judgement for safety. If your dancer doesn't have ballet shoes, they may wear sneakers or anything they can safely move around with.

### 2.. What will they be doing during camp?

Campers will be learning dances, singing songs, making crafts, story time and playing games.

### 3. How do I log into Zoom?

You will receive an email when you register that will have the zoom link. You will simply click on the link to connect with the class.

### 3. How will I receive the videos?

Once a week from the first week of camp you will receive a link to your video.

### 4. Are there refunds?

There are NO REFUNDS after the first video and/or crafts are delivered.
